

INTELLIPROXF® VSF

VARIABLE SPEED AND FLOW PUMP

PRECISE FLOW CONTROL AND HIGHEST AVAILABLE SAVINGS IN OUR MOST EFFICIENT PUMP.

Precise flow. Ultra-efficient, hydraulic design.

The ultimate performance combination for large and feature-rich pools.

Eliminate the guesswork

The IntelliProXF® VSF Pump is the first to adjust to changes in flow conditions to maintain its preprogrammed flow rate. It's like having cruise control for your pump, so it runs optimally throughout the entire filtration cycle.

Highest available efficiency

Since the IntelliProXF VSF pump is ultra energy efficient, you can experience increased energy savings, up to 90%*, when compared to conventional single- or two-speed pumps.

Superior hydraulic design

The IntelliProXF VSF pump is perfectly suited for large and feature-rich pools with high flow demands to power waterfalls, slides, negative edges and more.

TRADEGRADE BY PENTAIR

EXCLUSIVELY MADE FOR AND SOLD BY THE WORLD'S
MOST DEMANDING POOL PROFESSIONALS

TradeGrade products give consumers the confidence that their pool pro is recommending the very best equipment and providing unmatched expertise for installation, setup and servicing.

Smart technology for remarkable energy efficiency

Experience energy savings of up to 90%*. IntelliPro pumps are installed in more pools worldwide and have saved more money than any other variable speed pump family.

Set it and forget it

The IntelliProXF VSF pump maintains its set flow rate, even as pool conditions change. It's like having cruise control for your pump.

The quietest pump on the planet

When operating at low speed, it's so quiet you might not even know it's operating.

Automation compatible

Pair with the EasyTouch® or IntelliTouch® Automation Systems with ScreenLogic2® Interface and you can control your pool functions from across the yard or around the globe.

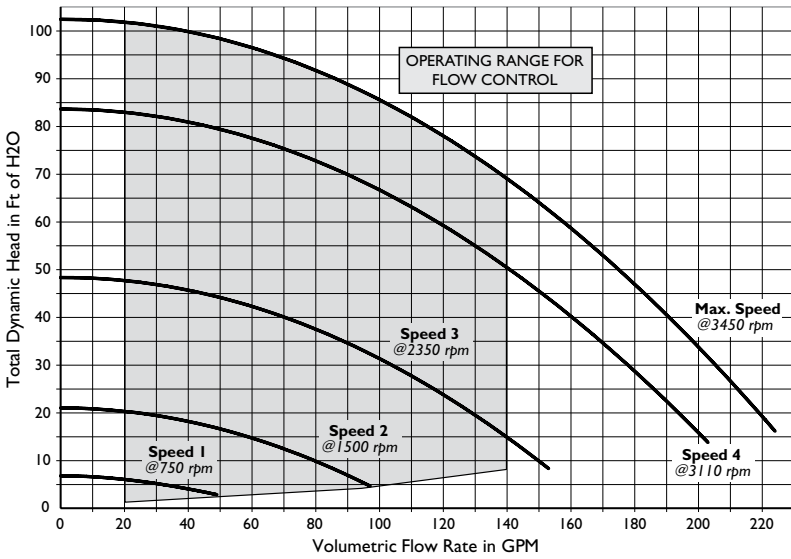

*Savings based on variable speed pump compared to a single-speed pump running 12 hours per day at an average of \$0.16 per kWh in a 20,000 gallon pool. Actual savings may vary based on local utility rates, pool size, pump run time, pump horsepower, pump rpm, plumbing size and length, pump model, service factor and other hydraulic factors.

INTELLIPROXF[®] VSF

VARIABLE SPEED AND FLOW PUMP

PRECISE FLOW CONTROL AND HIGHEST AVAILABLE SAVINGS IN OUR MOST EFFICIENT PUMP.

Performance Curves

The ENERGY STAR[®] Certified IntelliProXF VSF pump from Sta-Rite[®] meets strict energy-efficiency criteria set by the U.S. Environmental Protection Agency and the U.S. Department of Energy. This pump saves money, reduces energy use and protects the environment.

An Eco Select[®] Brand Product
The IntelliProXF VSF pump from Sta-Rite has earned the Eco Select brand distinction from Sta-Rite for its efficiency and environmentally friendly performance.

Simply Smarter.
